

National HIV Classroom Learning Center

The National HIV Classroom Learning Center (NHCLC) provides a range of FREE training opportunities to help end the HIV Epidemic!

- The NHCLC, funded by the Centers for Disease Control and Prevention, aims to strengthen the country's HIV prevention workforce and thus accelerate progress towards achieving the goals of Ending the HIV Epidemic: A Plan for America (EHE).
- Courses are now available in a live, instructor-led, virtual classroom training format.
- Our skilled trainers are dedicated to providing the nation's HIV prevention workforce with high quality training courses in implementing evidence-based and evidence-informed, culturally relevant HIV prevention interventions and public health strategies.
