

VACCINATION INSIGHTS SYNTHESIS TOOL

Use this tool to compare and contrast your survey findings with findings from interviews, focus groups, and observations. What themes can you identify across all findings? Which findings reinforce each other? Which ones contradict each other? Are there examples that illustrate that something is working well?

Population of Focus	Summary of Key Findings Across Data Collection Activities	Summary of Barriers to Vaccination	Summary of Facilitators of Vaccination	Summary of Proposed Solutions
e.g., Parents of young children				
e.g., African American residents in urban areas				
e.g., Hispanic/Latino residents in urban areas				
e.g., Members of a particular religious community				
e.g., Migrant farmworkers				

U.S. Department of Health and Human Services
Centers for Disease Control and Prevention

Vaccinate with Confidence
Strategy to Reinforce Confidence in Covid-19 Vaccines
