

**CONFIDENTIALITY**

**When you need it**

Healthy Teens

for a Healthy Savannah

# HEY TEENS!

In Georgia, the following services are considered confidential and do not require your parents' permission to receive them:

-  Birth Control
-  Pregnancy Testing and Counseling
-  HIV Testing
-  STD Testing and Treatment
-  Substance Abuse Counseling
-  Labor & Delivery Services

Make your own appointments. Talk alone with a doctor and make your own choices. Remember, it's all private unless you decide otherwise!
