

Healthy Nightlight Elevator Pitch Scenarios (and Potential Responses)

Objective: To provide stakeholders with various scenarios and sample responses for crafting elevator pitches tailored to nightlife work settings. Review the attached document containing scenarios and written examples, which can be adapted to individual preferences and situations. Additional resources on elevator pitches are also provided for further guidance.

- Attached Document: "[SVP Nightlife Pitch Scenarios & Sample Responses.pdf](#)" contains scenarios of stakeholders encountered in nightlife work, along with sample written responses.
- Customization: The provided responses are examples meant to inspire stakeholders to personalize their own elevator pitches, reflecting their unique approach and style.
- Additional Resources: Guidance on elevator pitches is available in the [Healthy Schools Toolkit](#) (page 35) and an [article](#) from Asana, on creative elevator pitches is recommended for further exploration.
- Elevator pitches are valuable tools for effectively communicating the purpose and objectives of nightlife work to various stakeholders. Personalization and practice are key to crafting compelling pitches.
